

A prayer for Entity Healing

I call on the Entities and the Dark Energy that surround me now

I welcome you in love

I have invited you to the light

You are loved, blessed, healed and forgiven, loved, blessed healed and forgiven, loved, blessed, healed and forgiven.

You are children of God, children of light.

You are filled and surrounded with the Cosmic Christ Light

You are filled and surrounded with the Cosmic Christ Love

You are now free of the Earth life, free of the Earth vibration, and free of all the bonds that binds us to the Earth

There is no judgment in the place you are going.

You simply review your own life and reflect.

You will be lifted into light and taken into a place of warmth, comfort and healing in the heavens.

You are filled and surrounded with the Cosmic Christ Light

You are filled and surrounded with the Cosmic Christ Love

I call on Mother Mary, Jesus the Christ, Archangel Michael, Quan Yin, and Buddha.

To open a golden door to the heavens and take you home now.

Your Family, friends and loved ones await you on the other side.

I release you in love x 3times

I release you in light x 3times

Go in peace NOW my dear ones

Go in Peace.
